

**GREAT ORMOND STREET HOSPITAL FOR CHILDREN NHS FOUNDATION
TRUST**

Clinical Fellow (Equivalent of ST4-8) in Paediatric (Ref: 271-REN-005)

Nephrology

12 months Fixed term (from 1st March 2018)

6 months Fixed term (from 1st September 2017)

You will join a team of 5 ST4-8 grade doctors and 2 ST2-3's working in a large, multi-disciplinary Renal Unit. The appointee will quickly acquire skills in the management of urinary tract abnormalities and infections, fluid and electrolyte disorders, acute and chronic kidney disease, hypertension, nephritic and nephrotic syndrome, dialysis and transplantation. In the medium term, the appointee will develop skills in renal replacement therapy, interacting with the multidisciplinary medical, surgical, nursing and allied professional team we have to deliver this service. The unit provides excellent opportunities for clinical studies and the appointee will be encouraged to participate in research and audit activity.
