

44th Annual Scientific Meeting of the European Society for Paediatric Nephrology

14 - 17 September 2011, Hotel Croatia
Dubrovnik - Cavtat, Croatia

WED, Sep 14th

RAGUSA HALL

19:00 OPENING CEREMONY

HOTEL CROATIA BEACH CLUB

19:30 WELCOME COCKTAIL and BARBECUE

THU, Sep 15th

07:00 REGISTRATION

RAGUSA HALL

08:00 - 11:40 CAKUT SESSIONS - PART I.

11:40 - 12:10 COFFEE BREAK

12:10 - 13:20 CAKUT SESSIONS - PART II.

13:20 - 15:00 LUNCH AND POSTER SESSION

15:00 - 16:00 DEBATE - "Imaging following febrile UTI in infants"

16:00 - 16:35 COFFEE BREAK

16:35 - 17:40 CAKUT SESSIONS - PART III.

17:40 - 19:10 ESPN GENERAL ASSEMBLY

FRI, Sep 16th

07:00 REGISTRATION

	RAGUSA	BOBARA	ORLANDO
08:00 - 08:30	Plenary session - The Renee Habib lecture		
08:30 - 09:00	Plenary session - The Rodriguez Soriano lecture		
09:00 - 09:45	Plenary session: Proteomics in genetic kidney stone diseases of children		
09:45 - 11:15	Symposium: Transplantation	Symposium: Cardiovascular disease	Oral session III: Nephrotic syndrome
11:15 - 11:45 COFFEE BREAK			
11:45 - 13:30	Symposium: Acute kidney injury	Symposium: Metabolic syndrome and Diabetic nephropathy	Symposium: Dialysis
13:30 - 14:30 LUNCH			
14:30 - 15:00 LUNCH CONTINUES and POSTER SESSION BEGINS			
15:00 - 15:45 POSTER SESSION			
15:45 - 16:45	Debate "Clinical-Pathological Conference (CPC)"		
16:45 - 17:15 COFFEE BREAK			
17:15 - 18:15	ORAL SESSION I: CILIOPATHIES and TUBULOPATHIES	ORAL SESSION II: GLOMERULAR DISEASES and aHUS/MPGN	ORAL SESSION IV: RENAL TRANSPLANTATION
19:30 - 23:30 GALA DINNER - DUBROVNIK OLD TOWN, REVELIN FORTRESS			

SAT, Sep 17th

07:00 REGISTRATION

	RAGUSA	BOBARA	ORLANDO
08:15 - 09:00	Plenary session: „The genome gets personal“		
09:00 - 10:30	Symposium: Glomerular diseases	Symposium: Endemic (Balkan) nephropathy - toxic nephropathy beyond Balkan	ORAL SESSION V: CHRONIC DIALYSIS AND CARDIOVASCULAR DISEASE
10:30 - 11:00 COFFEE BREAK			
11:00 - 12:30	Symposium: Tubulopathies	Symposium: Ciliopathies	ORAL SESSION VI: UTI and CAKUT
12:30 - 14:00 LUNCH			
14:00 - 15:00	POSTER SESSION	Symposium: Metabolic syndrome and Diabetic nephropathy	Symposium: Dialysis
15:00 - 16:00 LUNCH			
14:30 - 15:00	Debate "Hemodialysis versus peritoneal dialysis in infants and toddlers"		
16:00 - 17:15	Symposium: Metabolic renal disease	Symposium: Haemolytic Uraemic Syndrome	
17:15 - 17:30 BEST ABSTRACT AWARDS			
17:30 - 18:00 FAREWELL COFFEE			

44th Annual ESPN Meeting, Dubrovnik, Croatia, 14 - 17 September 2011.

15.09.2011// THURSDAY	
RAGUSA HALL	
CHAIR: PIERRE COCHAT	
CONGENITAL ANOMALIES OF THE KIDNEY AND URINARY TRACT (CAKUT)	
CHAIR: NINE KNOERS	
8:00	Plenary session: MicroRNAs in kidney development Scott Harvey (France) - 45'
CHAIR: ENRICO VERRINA, ADRIAN WOOLF	
8:45	Lecture: Human kidney malformations: lessons from two renal-genetics clinics Adrian Woolf, UK - 35'
9:20	Lecture: How transcription factors direct glomerular and renal tract development? Andreas Schedl, France - 35'
9:55	Lecture: The role of morphogens in kidney development and regeneration Slobodan Vukičević, Croatia - 35'
10:30	Lecture: Genetics and CAKUT Stefanie Weber, Germany - 35'
11:05	Lecture: Environmental influences on renal development including fetal programming Michiel Schreuder, The Netherlands - 35'
11:40	COFFEE BREAK
CHAIR: FRANZ SCHAEFER, ADAM VANNAY	
12:10	Lecture: Mechanisms leading to fibrosis and nephron loss following uretric obstruction Adam Vannay, Hungary - 35'
12:45	Lecture: Renal progenitor cells - can they be used for therapy? Patricia Murray, UK - 35'
13:20	LUNCH & POSTER SESSION - CHAIR: VELIBOR TASIC, LUISA MURER
15:00	Debate: Imaging following febrile UTI in infants Sverker Hansson, Sweden and Kjell Tullus, UK - 60' Debate moderator: Janusz Feber"
16:00	COFFEE BREAK
CHAIR: GIOVANNI MONTINI, SUSAN FURTH	
16:35	Lecture: Lessons from the CKiD study? Susan Furth, USA - 35'
17:05	Lecture: The Swedish Reflux Trial Per Brandstrom, Sweden - 35'
17:40	GENERAL ASSEMBLY - 1,30h

16.09.2011// FRIDAY			
RAGUSA HALL	BOBARA HALL	ORLANDO HALL	
CHAIR: PIERRE COCHAT			
8:00	Plenary session - The Renee Habib lecture Renal tubular dysgenesis: from the pathologic phenotype to the renin-angiotensin system genes Marie-Claire Gubler, France - 30'		
CHAIR: GEMA ARICETA			
8:30	Plenary session - The Rodriguez Soriano lecture Martin Konrad, Germany - 30'		
CHAIR: THOMAS NEUHAUS			
9:00	Plenary session: Proteomics in genetic kidney stone diseases of children Craig B. Langman, USA - 45'		
CHAIR: RYSZARD GREENDA, PETER HOYER		CHAIR: GEORGE REUSZ, TOMAS SEEMAN	
9:45	Symposium: Transplantation Should we revise the criteria for allocation of kidneys for transplantation? Peter Hoyer, Germany - 30'	9:45	Symposium: Cardiovascular disease Surrogate markers of the progression of cardiovascular disease György Reusz, Hungary -30'
10:15	Can we individualize immunosuppression following renal transplantation pharmacogenomics of immunosuppressive agents Nada Božina, Croatia -30'	10:15	Biology of vascular calcifications Rukshana Shroff, UK - 30'
10:45	Should we perform protocol biopsies? Lars Pape, Germany -30'	10:45	International cardiovascular research in pediatric CKD: The 4C Study Franz Schaefer, Germany -30'
		11:15	COFFEE BREAK
CHAIR: CLAUDIO RONCO, ALEXEY TSYGIN		CHAIR: OTTO MEHLS, RADOVAN BOGDANOVIC	
11:45	Symposium: Acute kidney injury Epidemiology of AKI Ali Duzova, Turkey - 30'	11:45	Symposium: Metabolic syndrome and Diabetic nephropaty Pediatric Diabetic Nephropathy: Does it Exist? Daniel Landau, Israel - 30'
12:15	Biomarkers of AKI Claudio Ronco, Italy - 30'	12:15	The Pathophysiology of metabolic syndrome Mieczyslaw Litwin, Poland - 30"
12:45	Management of AKI Stefano Picca, Italy - 30'	12:45	"Prevalence of secondary hypertension in the era of childhood obesity epidemic Joseph Flynn USA - 30'
		13:30	LUNCH
		14:30 LUNCH continues & POSTER SESSION begins - CHAIR: CONSTANTINOS STEFANIDIS, MIRNA SUBAT-DEZULOVIC	
15:45	Debate: Clinical-Pathological Conference (CPC) Aysin Bakkaloglu, Turkey (pathology); Jochen Ehrich, Germany (clinical discussant)- 1h Debate moderator: Rosanna Coppo		
		16:45	COFFEE BREAK
CHAIR: DETLEF BOCKENHAUER, DANIEL LANDAU		CHAIR: JEAN CLAUDE DAVIN, ALBERTO CALDAS	
17:15	ORAL SESSION 1: CILIOPATHIES and TUBULOPATHIES	17:15	ORAL SESSION 2: GLOMERULAR DISEASES and aHUS/MPGN
18:15	O_382; O_387; O_274; O_414; O_348; O_023; O_503 Each presentation - max 8 min"	18:15	O_242; O_072; O_150; P_246; O_095; O_134; O_271 Each presentation - max 8 min
		19:30-23:30 GALA DINNER - Revelin Fortress - Dubrovnik	

17.09.2011// SATURDAY			
RAGUSA HALL	BOBARA HALL	ORLANDO HALL	
CHAIR: JOCHEN EHRICH			
8:15	Plenary session: „The genome gets personal Nine Knoers, The Netherlands - 45'		
CHAIR: ROBERT KLETA, ATTILA SZABO		CHAIR: JOVAN NIKOLIĆ, MARUSIA LILOVA	
9:00	Symposium: Glomerular diseases The pathogenesis of membranous nephropathy Robert Kleta, UK - 30'	9:00	Endemic (Balkan) nephropathy - toxic nephropaty beyond Balkans Epidemiology, etiology and current diagnostic approach Bojan Jelaković, Croatia - 30'
9:30	Innate immunity in IgA nephropathy: from pathogenesis to therapy Rosanna Coppo, Italy - 30'	9:30	p53 mutational spectrum as clear evidence that aristolochic acid is causative agent Neda Slade, Croatia - 30'
10:00	LATE BREAKING REPORT !!! An outbreak of HUS in Northern Germany caused by EHEC O104:H4: clinical and epidemiological aspects Markus Kemper, Germany - 30'	10:00	Mechanisms of uroterial cancers associated with endemic nephropaty Sandra Karanović, Croatia - 30'
		10:30	COFFEE BREAK
CHAIR: MARTIN KONRAD, LARISA PRIKHODINA		CHAIR: CARSTEN BERGMANN, LISA GUAY WOODFORD	
11:00	Symposium: Tubulopathies The new hypomagnesemia genes Sylvia Ferre, The Netherlands - 30'	11:00	Symposium: Ciliopathies Ciliopathies - insights into genetics and pathogenesis Sophie Saunier, France - 30'
11:30	Genetic disorders of potassium transporters Dettef Bockenhauer, UK - 30'	11:30	Ciliopathy - protein network Heleen Arts, The Netherlands - 30'
12:00	Tubular proteinuria Henrik Birn Denmark - 30'	12:00	Current Insights into Renal Cystic Diseases: the Bases for Novel Therapeutic Strategies: Lisa Guay Woodford, USA 30'
		13:30	LUNCH
		14:30 LUNCH continues & POSTER SESSION begins - CHAIR: CONSTANTINOS STEFANIDIS, MIRNA SUBAT-DEZULOVIC	
15:00	Debate: Hemodialysis versus peritoneal dialysis in infants and toddlers Constantinos Stefanidis and Lesley Rees - 1h Debate moderator: Claus Schmitt		
CHAIR: ELENA LEVTCHENKO, AMAL BOURQUIA		CHAIR: CHANTAL LOIRAT, JOHAN VANDE WALLE	
16:00	Symposium: Metabolic renal disease Novel therapies for nephropathic cystinosis Elena Levchenko, Belgium - 25'	16:00	Symposium: Haemolytic Uraemic Syndrome Complement activation in hemolytic uremic syndrome Diana Karpman, Sweden - 25'
16:25	Renal involvement in children with Fabry disease Georges Deschenes, France - 25'	16:25	Does a HUS and MPGN represent a continuum? Francesco Emma - 25'
16:50	Primary hyperoxaluria Eduardo Salido, Spain - 25'	16:50	Treatment of a HUS Chantal Loirat, France - 25'
		17:15	BEST ABSTRACT AWARDS (15-20 min)
		17:30	FAREWELL COFFEE
