

RENALTRACT Conference
12-13 April 2018

You are warmly invited to the EU 2020-funded RENALTRACT event called the '**International Conference on Developmental Nephrology and Future Therapies**' that will be held in Manchester UK on 12 & 13 April 2018.

Please follow the link, below, to the conference website for more information.

Registration is free but mandatory, with places limited to 200, and should be done via the website.

We also encourage submissions (deadline 31 December 2017) of abstracts for Poster Presentations which can address basic developmental biology, translation to the clinic or genetic topics.

Abstract submission, like registration, should be done via the website.

Applicants will be notified whether their posters have been selected by early February.

All the best

Adrian Woolf and Filipa Lopes,
Manchestet, UK
